

Report of Israeli Police/Military Escort of Palestinian Children to & from School in At-Tuwani

Period of Log from: 17 May to 4 June 2009 – *These were the last two weeks of school & the children were often out early because of exams. Some of the older children chose to walk the middle path alone rather than wait such a long time for the army.*

Morning: *Leaving time* - When the children are seen in the saddle of the hill near Tuba (leaving home); *2nd time* - When the children arrive at the barns; *3rd time* – When the children leave the barns (may be the same as 2nd time); *Arrival time* - When the children pass the gate below Ma'on Settlement (arrival at at-Tuwani)

Total time – Total time it took the children to get from the saddle to the gate below Ma'on.

Afternoon: *Leaving time* - When **all** of the children are out of school and waiting near the gate (ready to leave at-Tuwani); *2nd time* - When the jeep and children begin moving up the hill from the gate (may be same as leaving time); *3rd time* - When the children reach the end of the barns; *Arrival time* – When the children are seen in the saddle of the hill near Tuba; *Total time* – Total time it took the children to get from the gate below Ma'on to the saddle.
